What does La Finca Chiquita mean? *The Small Ranch House:* A Finca in Mexico is a house situated in the country; away from the hustle and bustle of the day to day. It is a place where family and friends are invited to enjoy home-cooked food and great company. The kids are entertaining themselves and the adults are catching up on everything new.

We are so glad you've joined us, and we look forward to adding you to our extended family. Chef Oscar and his wife Ashley are grateful for the opportunity to welcome everyone to their version of La Finca... Chiquita style!
